

COLOUR BOARDS A & B (pages 18 and 19)

Print or copy as many boards as required.

You will need to colour in the spots with the colours you wish to work on.

You may wish to use colour board B which adds the extra concept of size, and will increase the “choice” level.

Examples of Instructions:

- **One choice instructions:**

Colour Board A

Set of identical monsters:

Put a monster on the blue spot

Put a monster on the red spot

Put a monster on the yellow spot *etc.*

- **Two choice instructions:**

Colour Board A

Set of big and small balloons:

Put a big balloon on the red spot

Put a little balloon on the green spot

Put a big balloon on the blue spot *etc.*

- **Three choice instructions:**

Colour Board A

Set of cars in a variety of colours and sizes:

Put a big blue car on the yellow spot

Put a little red car on the blue spot

Put a little green car on the red spot *etc.*

- **Four choice instructions:**

Colour Board B

Set of monsters in a variety of colours and sizes:

Put a big red monster on the little blue spot

Put a little green monster on the big red spot

Put a little blue monster on the big green spot *etc.*
